a. is always interrupting b. always interrupted c. interrupts always d. is always interrupted

2) Read the following passage, then answer the questions:

Dear Mr. Mahmoud,

I hope everything is OK with you. Yesterday, I had a night party with my friends, so I had to stay up very late. Let me tell you that the party was amazing. We had lots of fun there. The food was tasty and fresh; those people are excellent at hosting guests. However, I don't like fish at all; they should have asked me what to eat. Never mind! The video games were up-to-date and I beat them all. My friend's father loves sports, so we enjoyed playing table tennis and volleyball. But let me tell you that all of them liked my outfit. They laughed out loud once they saw me with fascinating orange shoes, red trousers and checked-colourful shirt. Mohamed and Mostafa threw tissues at me. I am always fashionable as you know. At the end of the day, we had many pictures which you can find in the attachments below. I couldn't find any transport, so I requested a ride. It cost only half the price of my sunglasses which costs 150 pounds. When I got home, I realised that I had forgotten my wallet at my friend's, but my mother solved the problem and the driver was understanding. Anyway, I'm writing to inform you that I will not show up today because I haven't done any task yet and I'm tired a little bit because of the dancing.

See you soon, my manager.

Best regards,

Anas
